ALTERNATE COURSES: List 5 alternate courses *other than ones already chosen.* Write the COURSE NUMBERS legibly in the spaces below, in the order of your preference. They will be used to complete your schedule, if conflicts arise during the schedule-building process. Give the same consideration for your alternates as you did for your electives. Be sure NOT to include those courses you have already selected.

1. _____ 2. _____ 3. _____ 4. _____ 5. _____ 6. _____

I have read the Curriculum Guide, consulted with my teachers, my counselor, and my parents. I have selected the electives I wish to take next year, and my parents/guardians approve these courses. We understand that alternate courses may be substituted if conflicts arise and that they will be selected in the numerical order listed to resolve conflicts. If I do not choose alternate courses, they will be chosen for me. We understand that no changes will be made after the final schedule is issued.
