I have read the Curriculum Guide, consulted with my teachers, my counselor, and my parents. I have selected the electives I wish to take next year, and my parents/guardians approve these courses. We understand that alternate courses may be substituted if conflicts arise and that they will be selected in the numerical order listed to resolve conflicts. If I do not choose alternate courses, they will be chosen for me. We understand that no changes will be made after the final schedule is issued.
